

Nissan Forklift

Nissan takes immense pride in achieving total client satisfaction, when their consumer is experiencing one of their numerous products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to providing high value and meticulous quality standards to their customers. Incorporating a prosperous heritage combined with strong manufacturing principals, Nissan lift trucks supply some of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to providing customer support, the company has four distinct manufacturing facilities that permit them to persistently adapt to their customers continually evolving wishes by offering a range of innovative ideas and concepts.

The Nissan Forklift North and South American base is located in Marengo, Illinois. A devoted team of 350 personnel is fully committed to the collaboration, design and manufacture of their products. Operating under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to maintain environmental accountability by using systems that minimize the global impact of their goods and processes. These high standards remind customers that Nissan operates under the quality seal that their consumers require while being an environmentally aware organization.

Nissan is assured that they will be capable of addressing any customer inquiries or concerns. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally authorized sellers or even going to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their warmth and commitment.
